

Ashes

Embrace

I've waited, and given
The chance again,
I'd do it all the same,
But either way
I'm always outplayed,
Up on your down days
I left it the right way,
To start again

Now watch me rise up
And leave all the ashes
You made out of me
When you said that we
Were wrong, life goes on,
Just look how long
I've agreed

Now watch me rise up
And leave all the ashes
You made out of me
When you said that we
Were wrong, life goes on,
Just look how long
I've agreed

Out of place, like a gem
On a coalface
Lost on the right way,
It's all the same
'Cause I've had my hopes
raised, riding the wrong waves
Scared when you felt
safe to start again

Now watch me rise up
And leave all the ashes
You made out of me
When you said that we
Were wrong, life goes on,
Just look how wrong
I could be

Now watch me rise up
And leave all the ashes
You made out of me
When you said that we
Were wrong, life goes on,
you blew me away
Aaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaay
Aaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaay
Aaaaaaaaaaaaaaaaaay

Now watch me rise up
And leave all the ashes
You made out of me
When you said that we
Were wrong, life goes on,

Just look how wrong
I could be

Now watch me rise up
And leave all the ashes
You made out of me
When you said that we
Were wrong, life goes on,
you blew me away
Aaaaaaaaaaaaaaaaaaaaaaaaaaaaaay
Aaaaaaaaaaaaaaaaaaaaaaaaaaaaaay
Aaaaaaaaaaaaaaaay

I sink like a stone
I lost my control
I sink like a stone
I lost my control
I sink like a stone
I lost my control
