## **Hooligan**

## **Embrace**

Don't try to beat 'em up Just call them all aboard 'Cause when your bark is gone You're gonna take 'em all head on

Your faith is running low It's too bad you'll never know But don't be a fool again 'Cause they're just hooligans

Don't try and save them all Just try and break their fall You want to live among So don't try and right their wrongs

Bad news is twice around the world When good is found So don't be a fool again They're just a bunch of hooligans

Don't try and lead the race Like it's a life you saved 'Cause you're all in my face Like you're from outer space

And though you make 'em laugh You won't beat the smile you have So don't be a fool again They're just a bunch of hooligans

Yeah yeah yeah Yeah yeah yeah Yeah yeah yeah

So don't be a fool again Don't be a hooligan You've tried your best to win Now get on board your wings

Don't think of paying back
Just keep your soul intact
Don't be a fool again
They're just a bunch of hooligans

Yeah yeah yeah Yeah yeah yeah Yeah yeah yeah

Don't be a fool again
They're just a bunch of hooligans

Don't be a fool again
They're just a bunch of hooligans
Don't be a fool again
They're just a bunch of hooligans

Don't be a fool again

They're just a bunch of hooligans Don't be a fool again They're just a bunch of hooligans
