

## I Had a Time

Embrace

It takes this soul of mine to see you burst my heart  
And I'll find  
That there's a silver lining  
You don't see  
If we end it soon  
It's clean and pure

And I won't hurt no more  
Because I had the time of my life  
For sure

It is true  
A mountain like you  
Ought to see  
Which way they are going  
What you've never dreamed  
You can't lose  
So stay so clean and pure

Enjoy  
Don't hurt no more  
Cos I won't see your smiling face  
But I won't see your smiling fade  
And know I had the time of my life  
That day

Surely we could carry on  
When you're left behind  
With no good reason  
It's a shame but the feelings never gone  
Don't you know that I  
I had a time

Surely we could carry on  
When you're left behind  
With no good reason  
It's a shame but the feelings never gone  
Don't you know that I  
I had a time

Don't you know that I  
I had a time
