## **One Big Family**

Get ready for the judge in me It's coming over, get on your feet All my goodness is all I got for you Have I shown you lately what my clan can do? I own your arse now by rights, yeah

We got family, we got family So when I call you up get y'all in We got family, we got family So when I call you up get y'all in

Get ready for the judge in me He's coming over, get on your feet All my goodness is all I got for you Have I shown you lately what my clan can do? I own your arse now by rights, yeah

We got family, we got family So when I call you up get y'all in We got family, we got family So when I call you up get y'all in We got family, we got family So when I call you up get y'all in
