

## Endless Journey

Embraze

A child, a boat  
A river, a rock  
Rapid roar and the dark grows  
Shine stars and the sun  
Light up this endless way  
Come up new day  
A widow, a shore  
A man, a tree  
River streams until he falls asleep  
Shine stars and the sun  
Light up my endless way  
Come up new day
