

## Lethal Dance

Embraze

I'm only happy when I'm unhappy  
I am only happy when we sink in the stream  
Happy when we drown out  
When we flow away  
Look at me  
Tell me I fly  
Lie to me  
As always  
I'm only happy when I'm unhappy  
I'm only happy when she dances  
She tells me little lies  
She dances only for me  
I'm only happy when I'm unhappy  
I am only happy when we sink in the stream  
Happy when we drown out  
When we flow away  
Look at me  
Tell me I fly  
Lie to me  
As always  
We make love  
And we fly  
And she dances
