Passion
We are going yeah
We are going babe
You look so beautiful when you cry
You want to die whore
Real me I say
That pulls you away
I pray for you and I fuck you
I wanna fuck you all
Don't you wanna know that I feel
Oh my passion and love
Give me your warmth, no matter
Your time is all I want
Fuck me
Suck me
Hate me
I wanna fuck you
Can you feel me
