

## Sinmaker

Embraze

I crawl and hide away  
I am the snake beneath you  
I am the fly on the dunghill  
I am nothing good for you  
I deceive and destroy  
I am evil and full of lust  
I am useless, I am air, I am the  
Sinmaker today  
I am bitching mother fucker  
But I am too weak to regret  
Please wait for me my life  
I am eager but too afraid to fly  
I am the snake in your frame  
I am the devil in your dreams
