

This Moment

Embraze

I'd like to be in your life
I'd like to be in you
Only life, no love
Only longing

Loneliness frightens you
You have to handle it alone
It's no use to flee from yourself

Me, sorrow, emotions, eternity
Mourning lasts the whole life
In myself

My life is no more
I've been seeking, tempting myself
The most horrible thing is longing

Do you feel this moment
Do you feel me so close
Do you hear my voice filled with life
Morning dew
