

# Read All About It

Emeli Sandé

1. You've got the words to change a nation  
but you're biting your tongue  
You've spent a life time stuck in silence  
afraid you'll say something wrong  
If no one ever hears it how we gonna learn your song?  
So come on come on, come on come on
2. You've got a heart as loud as lions  
so why let your voice be tamed?  
Baby we're a little different  
there's no need to be ashamed  
You've got the light to fight the shadows so stop hiding it away  
Come on, Come on
- R: I wanna sing, I wanna shout  
I wanna scream till the words dry out  
so put it in all of the papers, i'm not afraid  
they can read all about it, read all about it oh  
  
Oh ohhh oh, .....  
Oh ohhh oh,......
3. At night we're waking up the neighbours  
while we sing away the blues  
Making sure that we remember yeah,  
cause we all matter too  
If the truth has been forbidden, then we're breaking all the rules  
So come on come on, come on come on
4. Lets get the tv and the radio  
to play our tune again  
Its 'bout time we got some air  
play of our version of events  
There's no need to be afraid i will sing with you my friend  
Come on, Come on
- R:  
  
|: Yeah we're all wonderful, wonderful people  
So when did we all get so fearful?  
And now we're finally finding our voices  
Just take a chance, come help me sing this :|
- R:  
  
I wanna sing, I wanna shout  
I wanna scream till the words dry out  
so put it in all of the papers,i'm not afraid  
they can read all about it, read all about it oooooh
