

# Shakes

Emeli Sandé

If you don't want a daughter  
Then I'll give you a son  
I'll give you every penny  
For every song that I've sung

Cause baby when you're gentle  
It's all that it takes  
And oh, my heart breaks  
Yeah oh, my soul shakes

You can be the captain  
I surrender my boat  
If you're tired of south, then baby  
We're sailing north

Cause baby when you're gentle  
It's all that it takes  
And oh, my heart breaks  
Yeah oh, my soul shakes

I can tell the angels  
They can take me instead  
Cause babe if you go missin'  
Then I'll probably die

Cause baby when you're gentle  
It's all that it takes  
And oh, my heart breaks  
Yeah oh, my soul shakes  
Yeah oh, my heart breaks  
Yeah oh, my soul shakes  
Oh, my heart breaks  
Yeah oh, my soul shakes  
Oh, my heart breaks  
Yeah oh, my soul shakes
