

Shine

Emeli Sandé

Let's keep it wheelin', say how you feelin'
Like you got the whole world behind you
And break all the rules of love who you choose
Just make sure it's love that lights your fire

Yes you gotta let love lead you
And you gotta let love shine through
Oh, shine, oh, shine
Oh, shine, oh, shine

Oh express yourself, it's good for your health
Oh nothing to fear when truth walks beside ya
Or sing you a song, hmm, sing it all day long
Let your heart lift you higher

Yes you gotta let love lead you
And you gotta let love shine through
Oh, shine, oh, shine
Oh, shine, oh, shine

Light up, light up, light up your heart
Light up, light up, light up the dark
Light up, light up, light up your heart
Light up, light up, light up the dark
Light up, light up, light up your heart
Light up, light up, light up the dark
Light up, light up, light up your heart
Light up

You gotta let love lead you
You gotta let love shine through, yeah
Well shine, oh, shine
You shine, shine, shine
You shine, shine
You gotta let love shine through
