

Holy spirit  
Sometimes it's hard  
Much harder than you though it will be  
Or even worse  
Your heart might not take it

But be the fearless one  
You must begin your quest  
You are the center of all life  
Our hope rests in your hands

The chosen  
I'm gazing the stars  
Tonight they'll spread their light upon me  
And they'll fill my heart  
With wisdom bravery and power

I am the chosen one  
King of all humankind  
I'll live an everlasting life

Holy spirit & the chosen  
Fulfil the prophecy  
And find the falling star  
The signs reveal the path of life  
Prevent the end of time

The chosen  
Mirror open up the gate  
The portal to that  
Strange and unknown world  
Mirror you reflect my fate  
Break the rules don't be a  
Time-waster in my quest

Wicked soul  
Lust lust  
The chosen  
Lust for glory  
Wicked soul  
Lust lust  
The chosen  
For everlasting life  
Wicked soul  
I have no time for your lies  
Greed greed  
Inner voice  
Always there's a price  
That you have to pay

Humankind  
Accept the consequences  
Inner voice  
But you better mark these words

Inner voice  
Rest for a while

Your mind must be strong  
Humankind  
Must be strong  
Inner voice  
Gates full of fire  
Riddles unsolved  
You'll find on your way

Humankind  
Fantasmagoria  
A path of blood and fire  
That leads your soul down to the demon's nest  
Fantasmagoria  
Reveal the master-spell  
Unleash the Armageddon at the gates of hell

The chosen  
Riddles riddles on my way  
Must be solved to break the  
Wall and meet my fate  
Time to face the wicked soul  
And destroy his judgement  
I must have the upper hand

Wicked soul  
Dark - light?  
Inner voice  
Choose your answer  
Wicked soul  
Wrong - right?  
The chosen  
The reign of hell will fall  
Wicked soul  
Lucifer is now aware of...  
You!  
Inner voice  
The hell spawn knows you're there  
He reads your mind, beware

Humankind  
The wrath of humankind  
Inner voice  
And he's coming at your way!

Humankind  
Have no fear  
We will all be there by your side  
In your mind  
Enlightening your path  
Have no fear  
Don't give up

Inner voice  
The nameless awaiting  
In the spirit world  
Humankind  
Spirit world  
Inner voice  
The troops of evil  
The forces of doom  
You'll find on your way

Fantasmagoria

Hell spawn  
You have read the signs  
But you have lost their meaning  
You're a pawn into this game  
The game of hell... you stupid little man

The chosen  
The reign of hell will fall  
You can trick me with your lies  
But you can't possess my soul

The chosen  
I hear the voices whispering  
What is a king to do  
I'm meant to fight against all odds  
But I'm so afraid to die

Holly spirit  
I'll wash away your fear  
I'll give you my own heart  
My wings to fly  
My will to live  
I am standing by your side

Hell spawn  
It's time to run  
It's time to hide  
That's how it goes  
You're weak and so powerless

The chosen  
It's time to scream  
Time to die  
Time to kiss your life goodbye  
The souls you've sucked  
Will through away your corps  
Straight to hell

Humankind  
Have no fear  
The falling star now rises  
Once again  
Up to the endless sky  
Have no fear  
Now we're free

Inner voice  
The forces of evil  
Are now drowned in hell  
Humankind  
Drowned in hell  
Inner voice  
The kingdom of heaven  
Waits up for the king  
The eternal peace

Humankind  
Fantasmagoria  
A path of blood and fire  
That leads your soul down to the demon's nest  
Fantasmagoria  
Reveal the master-spell

Unleash the Armageddon at the gates of hell

The chosen

We are kings in the kingdom of heaven

Forever, forever... for everlasting live

Fantasmagoria
