

From the time that you appeared  
And for over thirty years  
We've been riding the sound with guitars

From the time we've touched the strings  
And felt the lightning coming out  
There's nothing but metal to think

There's power in us all  
A lot of strength inside us  
Feel it in our hearts  
And our souls are still devoted to

Heavy metal  
Once you will hear it  
There's no turning back  
Heavy metal  
This is a gift that God gave to us  
Heavy metal  
Once you will hear it  
There's no turning back  
Heavy metal  
This is a gift that God gave to us

And it will sound for eternity

All the hard apeggio solos  
And the power on the stage  
Are like a whiplash  
Thats whipping our minds

All those years live and loud  
With all the metal-heads on our side  
There's nothing to fear at all

There's power in us all  
A lot of strength inside us  
Feel it in our hearts  
And our souls are still devoted to

Heavy metal  
Once you will hear it  
There's no turning back  
Heavy metal  
This is a gift that God gave to us  
Heavy metal  
Once you will hear it  
There's no turning back  
Heavy metal  
This is a gift that God gave to us

And it will sound for eternity

There's power in us all  
A lot of strength inside us  
Feel it in our hearts  
And our souls are still devoted to

Heavy metal  
Once you will hear it  
There's no turning back  
Heavy metal  
This is a gift that God gave to us  
Heavy metal  
Once you will hear it  
There's no turning back  
Heavy metal  
This is a gift that God gave to us  
  
And it will sound for eternity
