

# A Good Man

Emerson Drive

I don't need a whole lot of money  
But I wouldn't turn a lottery down  
I just need a little green in my pocket  
So I can buy my buddies a round

All I want is a place to lay my head  
With the woman I love lyin' in my bed  
Kind of understated  
My dreams aren't that complicated

I wanna be the one  
When all is said and done  
Who lived a good life, loved a good wife  
And always helped someone in trouble

On the day they lay me down  
I want everyone to gather 'round  
And say, 'He was a father, brother, neighbor and a friend  
He was a good man'

Used to dream of being a rock star  
And seein' the world in style  
Used to dream of havin' a fast car  
And driving that miracle mile

But I've heard tell those streets aren't paved in gold  
They're full of pot holes and empty souls  
Who never learn  
Love is something you gotta earn

I wanna be the one  
When all is said and done  
Who lived a good life, loved a good wife  
And always helped someone in trouble

On the day they lay me down  
Want everyone to gather 'round  
And say, 'He was a father, brother, neighbor and a friend  
He was a good man'

When I'm gone, I wanna leave a legacy  
Of love and laughs and honesty behind me, behind me

I wanna be the one  
When all is said and done  
Who lived a good life, loved a good wife  
And always helped someone in trouble

On the day they lay me down  
Want everyone to gather 'round  
And say, 'He was a father, brother, neighbor and a friend  
He was a good man'

Yeah, I wanna be a good man  
A father, a brother, a neighbor and a friend  
I wanna be a good man
