

## Dear Death, Pt. 1

Emery

Just hear me out  
This was all my fault  
Now you've brought me death  
And it everything I wanted  
It's the wrong side of fear that kept me out  
It's the wrong inside that fills my mouth  
It's left me without  
In this darkness I've given my ground  
But know, this night will be mine  
But know, this night will be mine  
Will be mine...

Esta noche seré mia.  
Esta noche seré mia.  
Esta noche seré mia.  
Esta noche seré mia...
