Children, I know  
You deserve, more than this world could ever give  
Children, I know  
You deserve, more than this world could ever give

Hold on, take your life  
Hold on to each reality  
They seem so far from you  
But really they're close to you

You've got to break each precious dream  
Until it breaks you heart in two  
Build your life until you find  
What's right for you

Children, I know  
You deserve, more than this world could ever give

Don't let them take it all  
'Cause you know they want to take it all  
They seem so far from you  
But really they're close to you

You've got to break each precious dream  
Until it breaks your heart in two  
Build your life, until you find  
What's right for you

Children, I know  
You deserve more than this world could ever give  
Children, I know  
You deserve, more than this world could ever give

Long live the new flesh  
Long live the new flesh  
Long live the new flesh

Don't let them take it all  
'Cause you know they want to take it all  
They seem so far from you  
But really they're close to you

You've got to break each precious dream  
Until it breaks your heart in two  
Build your life, until you find  
What's right for you

Long live the new flesh

Children, I know  
You deserve more than this world could ever give  
Children, I know  
You deserve, more than this world could ever give

Children, I know  
Children, I know  
Children, I know

You deserve more than this world could ever give
