

This Is What

Emigrate

Down below the world is turning
Night has come
I'm so high
Light too bright it feels like burning
Take me down
I'm so high
I'm so high

We're the mass
One brain to follow
Feels like God
Make a change

This is what
This is what
My one shot
Makes me feel forever
Makes me dream forever

Dream of war the crowds are screaming
Hear my call
Say my name
I'm a whore with so much feeling
Like before
Sold my soul
Sold my soul

This is what
This is what
My one shot
Makes me feel forever
Makes me dream forever
