

## At Fleischberg's

Emil Bulls

Eyes like whiskey - a cocaine smile  
Tonight she's mine - the berg's superfly  
A body shaped like a Cadillac  
I wanna show my skills and ride it all night

I know a place where we both can hide  
I know a place where we can spend the night  
Follow me and leave your timidity at home  
I'll introduce you to the rules of Fleischberg's

All seductive in the obscene  
I feel the fire it burns like a drug  
A matter of fact you're melting ice  
I hold the world in my sticky sweaty hands

I know a place where we both can hide  
I know a place where we can spend the night  
Follow me and leave your timidity at home  
I'll introduce you to the rules of Fleischberg's

Yeah it's getting hot baby  
You're like a shot

Hop in get comfy I'll take you for a ride  
Stop waiting for love that will never come  
Come on

I know a place where we both can hide  
I know a place where we can spend the night  
Follow me and leave your timidity at home  
I'll introduce you to the rules of Fleischberg's
