Collapsed Memorials

I am here because of you again I am here to feel love again I am here to pass out again Here I am at the bitter end I am here to see a miracle I am here to build castles in the air I am here to praise every flop I'm a master of deception Basically rotten Long ago forgotten Save me A glorious euphoria Save me Paralized by the blinding lights Save me A glorious euphoria Save me Paralized by the blinding lights I am here Paralized I am here Save me A glorious euphoria Save me Paralized by the blinding lights Collapsed memorial Traumatized in delirious disguise
