Green Machine

Emil Bulls

I've got a war inside my head It's got to set your soul free I've got a wheel inside my head A wheel of understanding

I'm a loadin', loadin' my war machine I'm contributing to the system, the break down scheme I'm a shuttin' down, I'm shuttin' down your greed for green

I am here to gun it down, I gotta do

I see pretty flowers at my feet Cool breeze, clean air, hospitality Pretty please, pretty please, pretty please Get the hell away from me

I'm a loadin', loadin' my war machine I'm contributing to the system, the break down scheme I'm a shuttin' down, I'm shuttin' down your greed for green I am here to gun it down, I gotta do

I've got a war inside my head It's got to set your soul free I've got a wheel inside my head A wheel of understanding

I'm a loadin', loadin' my war machine I'm contributing to the system, the break down scheme I'm a shuttin' down, I'm shuttin' down your greed for green baby I am here to gun it down, I gotta do
