

# Man or Mouse

Emil Bulls

Do you wanna be a man or do you wanna be a mouse  
Do you wanna be a hero, do you wanna be a clown  
Do you wanna be a lion, do you wanna be a flea  
We are who we chose to be  
Do you wanna be a coward, do you wanna be a brave  
Do you wanna be a master, do you wanna be the slave  
Do you wanna be a giver, do you wanna be a thief  
We are who we choose to be

Hands up, hands up, everybody sing  
We don't wanna be controlled like a puppet on a string  
Hands up, hands up, everybody sing  
We don't know how to follow, we're the ones that always lead

If you wanna be remembered  
If you wanna be unique  
Extraordinary is the way you have to live  
Here we go  
Boom! Boom! Here comes the knights  
Our legend will never die  
We are undeniable  
We won't stop until we're done  
Eyes wide and open mouthed  
The world will see us rise  
We are the restless ones  
We'll never stop for anyone

Do you wanna be a man or do you wanna be a mouse  
Do you wanna be a hero, do you wanna be a clown

Hands up, hands up, everybody sing  
We don't wanna be controlled like a puppet on a string  
Hands up, hands up, everybody sing  
We don't know how to follow, we're the ones that always lead
