

Pure Anger (The Hex)

Emil Bulls

Hhhhhhhnnnnnaaaaaarrrrrgh! :P

Pure anger arise
Breathing doom and fire
Infernal flames unite
savage hell come alive

I'm on my way again
I'm in good company
I'm on my way again
The games have just begun

Almighty

Fire walk with me
around the world
cross the seven seas
Hear the battle cry
Pure anger
Pure anger
arise!

Apocalyptic skies
Purgatory by my side
In Armageddon the earth shall die
The darkest evil arrives
I'm on my way again
I'm in good company
I'm on my way again

The games have just begun
Almighty
Fire walk with me
around the world
Cross the seven seas
Hear the battle cry
Pure anger
Pure anger
Arise!

This is the end
An unspeakable end
A million planets collide
We're all trapped
The earth explodes
A million planets collide
The stars are falling from the sky
A million planets collide
Almighty Firelight
apocalyptic skies

This is the end
The earth explodes
A million planets collide (apocalyptic skies)

Almighty
Fire walk with me

around the world
cross the seven seas
Hear the battle cry
Pure anger
Pure anger
Arise!

Pure anger
Arise!

Fire walk with me 'round the world
Inferno!
Fire walk with me 'round the world
Inferno!
Fire walk with me 'round the world
Inferno!
Fire walk with me 'round the world
Inferno!

Fuck!
