

# Sacrifice to Venus

Emil Bulls

Let's get it straight from the start  
I'm gonna break your heart  
Tear it apart like a bloodthirsty shark  
The never ending struggle against  
Unwillingness and stupidity  
Has taken all my wartime dignity

I am not a poet, I'm a drunk with a pen  
The words it puts on paper  
Are on fire with hate  
Thank god drunkenness can be sobered  
But stupid lasts forever  
Now I will show you the meaning of forever  
The friend in me awoke from sleep  
I pray the beast my soul to keep  
My heart is a tomb  
What's dead may never die  
This is the time to erase and rewind

You can never fuck,  
Never suck my pride out of my penis  
I leave you dying away  
My sacrifice to venus

You can never fuck,  
Never suck my pride out of my penis  
I leave you dying away  
My sacrifice to venus  
Dying away my sacrifice to venus

Don't you cry, don't you cry me a river  
Don't you think I deserve something bigger  
Fucking bleed, fucking bleed me an ocean  
Of love, lust and devotion

Don't you cry, don't you cry me a river  
Don't you think I deserve something bigger  
Fucking bleed, fucking bleed me an ocean  
Of love, lust and devotion

I'm gonna settle this once and for all  
Before I fall apart  
And collapse like a house of cards  
My future life will never know  
You existed at all  
I'll wipe you out  
Like an cannon ball

I'm not a saint, I am beyond the sinner  
Tragedy is the only winner  
There's no peace without war  
There's no love without drama  
In the end we all suck the cock of karma  
The friend in me awoke from sleep  
I pray the beast my soul to keep  
My heart is a tomb  
What's dead may never die

This is the time to erase and rewind

You can never fuck,  
Never suck my pride out of my penis  
I leave you dying away  
My sacrifice to venus

You can never fuck,  
Never suck my pride out of my penis  
I leave you dying away  
My sacrifice to venus  
Dying away my sacrifice to venus

Don't you cry, don't you cry me a river  
Don't you think I deserve something bigger  
Fucking bleed, fucking bleed me an ocean  
Of love, lust and devotion

Don't you cry, don't you cry me a river  
Don't you think I deserve something bigger  
Fucking bleed, fucking bleed me an ocean  
Of love, lust and devotion

Fucking bleed, fucking bleed  
Fucking bleed, fucking bleed  
An Ocean

I'll rip your heart out and feed it to the fire  
I'll watch you burn  
Watch it burn

Don't you cry, don't you cry me a river  
Don't you think I deserve something bigger  
Fucking bleed, fucking bleed me an ocean  
Of love, lust and devotion

Don't you cry, don't you cry me a river  
Don't you think I deserve something bigger  
Fucking bleed, fucking bleed me an ocean  
Of love, lust and devotion

Don't you cry, don't you cry me a river  
Don't you think I deserve something bigger  
Fucking bleed, fucking bleed me an ocean  
Of love, lust and devotion

Don't you cry, don't you cry me a river  
Don't you think I deserve something bigger  
Fucking bleed, fucking bleed me an ocean  
Of love, lust and devotion

Fucking bleed  
An ocean
