

# The Jaws of Oblivion

Emil Bulls

This is the end of the road  
Welcome to the edge of the world

Patience's gonna die when you're too fast  
We gotta save her to build the things that last  
We gotta keep momentum alive  
To escape the chokehold of time  
Watch out now  
Dysfunction will drown your way  
when the floodgates break

I just can't take it  
Take it anymore

This is the end of the road  
(Slowdown or split like atoms in an a-bomb)  
Welcome to the edge of the world  
(Watch your step you might fall into oblivion)  
You gotta slow down  
Gotta watch your step now  
You might fall into oblivion  
The jaws of oblivion  
The jaws of oblivion  
(Out of sight, out of mind)

Needless to say we need a change  
So stop burning the candle at both ends  
Apply the brakes immediately  
For a new focus aim and clarity  
Watch out now  
Dysfunction will drown your way  
When the floodgates break

I just can't take it  
Take it anymore

This is the end of the road
