

# The Knight In Shining Armour

Emil Bulls

Hey princess  
I'm your knight in shining armour  
Come jump on my horse, take a ride with me in the  
starlight  
My fulgend lance will hit the dragons & the robbers  
My sword will keep this dream alive

(Ref. 1)

I don't wanna wake up - I don't wanna wake up  
Keep this dream alive  
I can't get enough so let's go for another ride  
I wanna sing - I wanna dance  
Let me take you all around the world tonight

In my dream I am king  
So don't you ever dare to wake me  
I might loose the one  
Heaven's sent so save me  
My queen - Pristine  
With grace as pure as the driven snow  
I try to keep this dream alive

(Ref. 2)

I'm your knight in shining armour  
Get in the saddle  
I'm gonna show you my world  
I wanna sing - I wanna dance  
I just wanna fall in love tonight

Let's escape into the beauty of the night  
Cause when the morning wakes me all this will fade away  
Yeah, I gotta keep this dream alive  
Oh oh oh, I don't wanna, don't wanna, don't wanna wake  
up

Come on, let's keep this dream alive

(Ref. 1)

I don't wanna wake up - I don't wanna wake up  
Keep this dream alive  
I can't get enough so let's go for another ride  
I wanna sing - I wanna dance  
Let me take you all around the world tonight

(Ref. 2)

I'm your knight in shining armour  
Get in the saddle  
I'm gonna show you my world  
I wanna sing - I wanna dance  
I just wanna fall in love tonight
