

# If It's Gonna Be You

Emilia

You're seeking cure for a broken heart,  
I'm trying hard not to show my feelings.  
I know love and I play my part everyday without revealing.

Is it true what they say about you?  
That your look's only superficial?  
I don't care what you say or do.

Don't give me a quick dismissal.  
Your kiss is irresistible,  
But that is not good enough for me.

[Chorus]

If it's gonna be you,  
Tell me are you gonna be true.  
And if you wanna be mine,  
I don't wanna wait in line.  
If it's gonna be you,  
Tell me are you gonna be true.  
And if you wanna be mine,  
I don't wanna wait in a line.  
If it's you, tell me now,  
Say it loud if it's gonna be you.

You leave a trace of mystery,  
Your words in my head keep spinning.  
I have a hope and a fantasy,  
That you and me find a new beginning.  
Your lies are unmistakeable,  
And that's not good enough for me.

[Chorus]

My love is like the safest bet,  
The best you'll ever get,  
You know it's true.

You're trying,  
Hungry for a thrill,  
Just to have your will,  
Please, give up.

[Chorus]
