Jungle Drum

Emilíana Torrini

hey, i'm in love my fingers keep on clicking to the beating of my heart hey, i can't stop my feet ebony and ivory and dancing in the street hey, it's 'cause of you the world is in a crazy, hazy hue

my heart is beating like a jungle drum my heart is beating like a jungle drum my heart is beating like a jungle drum

man, you got me burning i'm the moment between the striking and the fire hey, read my lips cause all they say is kiss, kiss, kiss, kiss, kiss no, it'll never stop my hands are in the air, yes I'm in love

my heart is beating like a jungle drum my heart is beating like a jungle drum my heart is beating like a jungle drum my heart is beating like a jungle drum

my heart is beating like a jungle drum my heart is beating like a jungle drum my heart is beating like a jungle drum my heart is beating like a jungle drum
