

Weird Friendless Kid

Emiliana Torrini

Weird friendless kid
You don't know where you live
No one knows a thing about you
No one ever did
Weird friendless kid
You might be weird but you're not stupid
We've all seen the pictures you drew
We know what's in your head
Uninvited child
But you never seem to mind
Eating from your purple lunchbox
While we are talk about you
About you
It's alright to stay
Nobody gets away
Except you
Why you're like you are ?
Do you think you're a star
La la la la....
I sometimes think I'd like to speak to you
And find out who you are
Uninvited guest
You won't fit in with all the rest
Just a bubble in a perfect paint job
Well we are talk about you
Talk about you
Talk about you
Just a bubble in a perfect paint job
Brings everybody down
Yes you do
It's alright to stay
Nobody gets away
Except you
Why you're like you are ?
Do you think you're a star
La la la la....
Dip in' from your purple lunchbox
It's alright you know
You can come as you are
La la la la....
And if it's like you say
You got a chance to move away
One bye, one, we'll knock on your door
Tell how we feel like
Or how we felt about you
Feel about you
Feel about you
Felt about you
Feel about you
