

Best Safety Lies in Fear

Emilie Autumn

Best safety lies in fear.
Best safety lies in fear.

A violet in the youth of primy nature
Forward, not permanent, sweet, sweet, sweet, not lasting.
The perfume and suppliance of a minute; No more.
No more.
No m-
No
No
No more.
No more.
No-no more... No more

Best safety lies in fear... Best...
Best safety lies in fear. Best...

If he says he loves you
If... If...
If he says...
If he says he loves you
loves you... loves...
If he says he loves you...
If...If... If he says...
If he says loves you...
Perhaps he loves you now...!
