Desert (English Version)

Émilie Simon

Where is the sea
I don't why I was just looking for the sea
But the only thing I found was a desert
A desert around me

What can I see
You close my eyes when I just need to go and see
If you want me to be blind I will stay here
With this desert around me

The world I can see
Is a nowhere land
Without you I'm a nowhere girl
In the desert
In the desert
With you

Where is the sea
I don't why I was just looking for the sea
But the only thing I found was a desert
A desert around me

Where is the sea
I am alone
I am dreaming of the sea
That you are not here next to me

The world I can see
Is a nowhere land
Without you I'm a nowhere girl
In the desert
In the desert
With you
