

# The Cycle

Émilie Simon

No one came to me and took my soul  
There's no one to blame I dig my hole  
And fall and rise and fall and rise and fall

You know I do my best, maybe too much  
Sometimes you try so hard you loose your touch  
Now that I know I won't fall anymore

Another day  
Break the cycle  
Another day in my life  
Another day  
Break the cycle  
Another day in my life

Just break the cycle for me

Slow down you don't have to run  
We will find our places in the sun  
Now that I know I won't fall anymore

Another day  
Break the cycle  
Another day in my life  
Another day  
Break the cycle  
Another day in my life

Just break the cycle for me

No one came to me and took my soul
