

# The Way I See You

Émilie Simon

Help me fix the things that are broken  
O-oh, before you leave  
I've been trying to think it over  
O-oh, I know it's time to grieve

I know you said nothing lasts  
What a surprise to see the writing on the wall

How can I love you dear  
When you break everything I do  
How can I love you dear  
When you break everything I do  
When you break everything  
O-oh

Help me find the things that are missing  
O-oh, I'm on my knees  
Looking for a thousand pieces  
O-oh, and my hands are full of dust

I know you said nothing lasts  
What a surprise to see the writing on the wall

How can I love you dear  
When you break everything I do  
How can I love you dear  
When you break everything I do  
When you break everything  
O-oh

O-oh, the way I see you  
Is not really the way you want me to  
O-oh, the way I see you  
O-oh, the way I see you  
Is not really the way you want me to

How can I forgive you my dear  
When everything you touch is burning  
How can I forgive you  
And forget you

How can I forgive you my dear  
When everything you touch is burning  
How can I forgive you  
And forget you

O-oh, the way I see you  
Is not really the way you want me to  
O-oh, the way I see you
