

Average Girl

Emily Osment

February 14, you say you want to see me
I'm thinking chocolate and flowers
We meet for breakfast, I'm feeling restless
Been getting ready for hours

And you walk through the door, I go to give you a kiss
But you turn your head to avoid my lips
And who's this girl you're with?
Does that mean we're over, over?

I gave you my heart and a sweet love letter
But you gave it right back said I like her better
And that's when my whole world came crashing down

And she's walking around like the girl of your dreams
With her Angelina lips, double zero jeans
Can't believe I didn't see this coming around
She's just so beautiful, I'm just an average girl

He says, "I'm sorry", I just keep smiling
Inside it feels like I'm broken
I say, "It's okay, happy Valentine's Day"
Biggest lie I've ever spoken

They're walking out the door and I wave goodbye
As soon as they're gone, I start to cry
Put my faith in the wrong guy
It's over, over

I gave you my heart and a sweet love letter
But you gave it right back, said I like her better
And that's when my whole world came crashing down

And she's walking around like the girl of your dreams
With her Angelina lips, double zero jeans
Can't believe I didn't see this coming around
She's just so beautiful, I'm just an average girl

And now they're gone and I feel fatal
Scratch his name out on the table
He's a jerk, he's a loser
He's a love abuser

February 14, I'm feeling sad and lonely
Nobody here wants to hold me

I gave you my heart and a sweet love letter
But you gave it right back said I like her better
And that's when my whole world came crashing down

And she's walking around like the girl of your dreams
With her Angelina lips, double zero jeans
I can't believe I didn't see this coming around

I gave you my heart and a sweet love letter
But you gave it right back, said I like her better
And that's when my whole world came crashing down

She's just so beautiful
She's just so beautiful
She's so beautiful
I'm just an average girl
