

Two Week Fling

Emily's Army

It wasn't supposed to be some date,
Just a silly little two week fling,
I liked her for a couple days,
Before I win on dark new haze

They hooked up for an hour or two
While I sat there on the avenue,
It was good but not so great,
It was only a stupid date

Man I love my two week flings
You dont have to give in anything,
Hook up once and than move on
Man it is so much fun!
