

## Encore/Curtains Down

Eminem

[50 Cent]  
Sh-sh-sh-shady  
Aftermath, haha  
G-G-G-G-G-Unit!, haha

[Chorus]  
Cause we came here to set this party off right  
Let's bounce tonight  
And if they don't let us in through the front  
We'll come through the side  
Cuz i don't ever wanna leave the game without  
At least saying goodbye  
So all my people on the left, all my people on the right  
Swing one last time

[Eminem]  
Get your ass up for the doctor  
One more time, get your ass up for the doctor  
Come on now, here we go  
Cliff hanger, it's another club banger  
Got you hangin' on the edge of your seat  
Get on down

[Dr. Dre]  
Times up, games over, you lose, I win  
'bout to show these knuckleheads how to do this here  
Ooh yeah, new year, next phase, begin  
Look who's got you goin' crazy again  
I'm a trend, I set one every time I'm in  
I go out and just come back full circle again  
You a fad, that means your something that we already had  
But once you're gone, you don't come back, too bad

[Eminem]  
You're off the map now, radar can't even find you  
We stay on the grind, you slip, we out-grind you  
You walk around mad, you let your anger blind you  
We walk around just playin' the violin behind you  
Enough with all the pissin' and moanin', whinin' and bitchin'  
Sit and observe, listen, you'll learn if you pay attention  
Why ten multi-platinum albums later, three diamond  
World-wide, we're on the charts with a bullet and still climbin'

[Chorus]

[Eminem]  
When dr. dre say crunk, you will get it crunk, get it crunk  
Crunk, crunk, crunk  
And when 50 cent says jump, you get on one foot and jump  
Jump, jump, jump, jump

[Dr. Dre]  
The buzz is tremendous, we drop you all to sense it  
I don't gotta promote it for you to know that doc is off the benches

[Eminem]  
We keep the party rockin' off the henges

We ain't showin' off, we just goin' off popular consensus

[Dr. Dre]

But critics say that Doc is soft, Doc is talk  
Doc is all washed up, knock it off  
Who the fuck is Doc impressin'?  
Doc is this, Doc is that, you got the wrong impression  
You must be on the cock of Doc, cuz Doc left you all guessin'  
So DJ take the needle and just drop it on the record (what)  
We gon' have this mutherfucker hoppin' in a second (bump bump)  
That's why we always save the best cut last  
To make you scratch and itch for it like fresh cut grass

[Eminem]

Cuz we done swam with the sharks, wrestle with alligators  
Spoke to a generation of angry teenagers  
Whom if it wasn't for rap to bridge the gap  
Maybe raised to be racist  
Who may have never got to see our faces  
Grace the cover of Rolling Stone pages  
Broke down barriers of language and races  
Just call on the cape crusaders  
And leave it to me and Dre to pass the mic  
And we can play the back and forth all day  
Like the hot potato game, thats why we came to

[Chorus]

[Eminem]

50 cent, come on!

[50 Cent]

Bounce now, hands up, you know how we do  
We make the club jump everywhere we go  
It's no secret, everybody know  
When Dre's involved, there's plenty money involved

[Dr. Dre]

And plenty honey's involved, the sunny Sunday's and palm trees  
Cali, everyday it's just another party from the valley's  
All the way to them 8 Mile alleys, let's rally

[Eminem]

Hands up for the grand finale  
Now raise up out your seat, Dre is about to speak  
Blaze a pound of weed six days up out the week

[Dr. Dre]

You could catch me in the studio bangin' out the beats to  
Provide you with the heat that keep blazin' out your speaker

[Eminem]

So nervous, ain't never cuz Shady Aftermath together  
Along with G-Unit Records presents the return of the-the Doc (and Shady)  
No one could do it better  
We tear the club up and leave without a strand of evidence and uh

[Chorus]

[Eminem]

Yeah, haha  
Still Aftermath, 2006  
And don't worry about that Detox album

It's comin', we gonna make Dre do it, haha  
50 cent, G-unit, Obie Trice, D-twizzy, Stat Quo, Dr. Dre  
We ain't leavin', let's go! haha  
Ladies and gentlemen, thank you all for comin' out, peace!  
Oh shit, I almost forgot  
You're comin' with me [gun shots]  
Haha, bye bye!  
See you in hell, fuckers.
