Eminem

Sh-sh-sh-shady
Aftermath, haha
G-G-G Unit, haha

'Cause we came here to set this party off right
Let's bounce tonight
And if they don't let us in through the front
We'll come through the side

'Cuz I don't ever wanna leave the game without
At least saying goodbye
So all my people on the left, all my people on the right
Swing one last time

Get your ass up for the doctor
One more time, get your ass up for the doctor
Come on now, here we go
Cliff hanger, it's another club banger
Got you hangin' on the edge of your seat
Get on down

Times up, games over, you lose, I win
'Bout to show these knuckleheads how to do this here
Ooh yeah, new year, next phase, begin
Look who's got you goin' crazy again

I'm a trend, I set one every time I'm in
I go out and just come back full circle again
You a fad, that means you're something that we already had
But once you're gone, you don't come back, too bad

You're off the map now, radar can't even find you
We stay on the grind, you slip, we out-grind you
You walk around mad, you let your anger blind you
We walk around just playin' the violin behind you

Enough with all the pissin' and moanin', whinin' and bitchin'
Sit and observe, listen, you'll learn if you pay attention
Why ten multi-platinum albums later, three diamond
World-wide, we're on the charts with a bullet and still climbin'

'Cause we came here to set this party off right
Let's bounce tonight
And if they don't let us in through the front
We'll come through the side

'Cuz I don't ever wanna leave the game without
At least saying goodbye
So all my people on the left, all my people on the right
Swing one last time

When Dr. Dre say crunk, you will get it crunk, get it crunk
Crunk, crunk, crunk
And when 50 Cent says jump, you get on one foot and jump
Jump, jump, jump, jump

The buzz is tremendous, we drop you all to sense it

I don't gotta promote it for you to know that doc is off the benches
We keep the party rockin' off the henges
We ain't showin' off, we just goin' off popular consensus

But critics say that Doc is soft, Doc is talk
Doc is all washed up, knock it off, who the fuck is Doc impressin'?
Doc is this, Doc is that, you got the wrong impression
You must be on the cock of Doc, 'cuz Doc left you all guessin'

So DJ take the needle and just drop it on the record, what
We gon' have this mutherfucker hoppin' in a second, bump. bump
That's why we always save the best cut last
To make you scratch and itch for it like fresh cut grass

'Cuz we done swam with the sharks, wrestle with alligators
Spoke to a generation of angry teenagers
Whom if it wasn't for rap to bridge the gap
Maybe raised to be racist

Who may have never got to see our faces
Grace the cover of Rolling Stone pages
Broke down barriers of language and races

Just call on the cape crusaders
And leave it to me and Dre to pass the mic
And we can play the back and forth all day
Like the hot potato game, thats why we came to

'Cause we came here to set this party off right
Let's bounce tonight
And if they don't let us in through the front
We'll come through the side

'Cuz I don't ever wanna leave the game without
At least saying goodbye
So all my people on the left, all my people on the right
Swing one last time

(50 cent, come on)
Bounce now, hands up, you know how we do
We make the club jump everywhere we go
It's no secret, everybody know
When Dre's involved, there's plenty money involved

And plenty honey's involved
The sunny Sunday's and palm trees
Cali, everyday it's just another party from the valley's
All the way to them 8 Mile alleys, let's rally

Hands up for the grand finale
Now raise up out your seat, Dre is about to speak
Blaze a pound of weed six days up out the week

You could catch me in the studio bangin' out the beats to
Provide you with the heat that keep blazin' out your speaker

So never say never 'cuz Shady Aftermath together
Along with G-Unit Records presents the return
Of the-the Doc and Shady, no one could do it better
We tear the club up and leave without a strand of evidence and uh

We came here to set this party off right
Let's bounce tonight

And if they don't let us in through the front
We'll come through the side

'Cuz I don't ever wanna leave the game without
At least saying goodbye
So all my people on the left, all my people on the right
Swing one last time

Yeah, haha, still Aftermath, 2006
And don't worry about that Detox album
It's comin', we gonna make Dre do it, haha
50 cent, G-unit, Obie Trice, D-twizzy, Stat Quo, Dr. Dre
We ain't leavin', let's go, haha

Ladies and gentlemen
Thank you all for comin' out, peace
Oh shit, I almost forgot
You're comin' with me
Haha, bye bye
See you in hell, fuckers
