## Encore

Sh-sh-sh-shady Aftermath, haha G-G-G Unit, haha

'Cause we came here to set this party off right Let's bounce tonight And if they don't let us in through the front We'll come through the side

'Cuz I don't ever wanna leave the game without At least saying goodbye So all my people on the left, all my people on the right Swing one last time

Get your ass up for the doctor One more time, get your ass up for the doctor Come on now, here we go Cliff hanger, it's another club banger Got you hangin' on the edge of your seat Get on down

Times up, games over, you lose, I win 'Bout to show these knuckleheads how to do this here Ooh yeah, new year, next phase, begin Look who's got you goin' crazy again

I'm a trend, I set one every time I'm in I go out and just come back full circle again You a fad, that means you're something that we already had But once you're gone, you don't come back, too bad

You're off the map now, radar can't even find you We stay on the grind, you slip, we out-grind you You walk around mad, you let your anger blind you We walk around just playin' the violin behind you

Enough with all the pissin' and moanin', whinin' and bitchin' Sit and observe, listen, you'll learn if you pay attention Why ten multi-platinum albums later, three diamond World-wide, we're on the charts with a bullet and still climbin'

'Cause we came here to set this party off right Let's bounce tonight And if they don't let us in through the front We'll come through the side

'Cuz I don't ever wanna leave the game without At least saying goodbye So all my people on the left, all my people on the right Swing one last time

When Dr. Dre say crunk, you will get it crunk, get it crunk Crunk, crunk, crunk And when 50 Cent says jump, you get on one foot and jump Jump, jump, jump

The buzz is tremendous, we drop you all to sense it

## Eminem

I don't gotta promote it for you to know that doc is off the benches We keep the party rockin' off the henges We ain't showin' off, we just goin' off popular consensus

But critics say that Doc is soft, Doc is talk Doc is all washed up, knock it off, who the fuck is Doc impressin'? Doc is this, Doc is that, you got the wrong impression You must be on the cock of Doc, 'cuz Doc left you all guessin'

So DJ take the needle and just drop it on the record, what We gon' have this mutherfucker hoppin' in a second, bump. bump That's why we always save the best cut last To make you scratch and itch for it like fresh cut grass

'Cuz we done swam with the sharks, wrestle with alligators Spoke to a generation of angry teenagers Whom if it wasn't for rap to bridge the gap Maybe raised to be racist

Who may have never got to see our faces Grace the cover of Rolling Stone pages Broke down barriers of language and races

Just call on the cape crusaders And leave it to me and Dre to pass the mic And we can play the back and forth all day Like the hot potato game, thats why we came to

'Cause we came here to set this party off right Let's bounce tonight And if they don't let us in through the front We'll come through the side

'Cuz I don't ever wanna leave the game without At least saying goodbye So all my people on the left, all my people on the right Swing one last time

(50 cent, come on)
Bounce now, hands up, you know how we do
We make the club jump everywhere we go
It's no secret, everybody know
When Dre's involved, there's plenty money involved

And plenty honey's involved The sunny Sunday's and palm trees Cali, everyday it's just another party from the valley's All the way to them 8 Mile alleys, let's rally

Hands up for the grand finale Now raise up out your seat, Dre is about to speak Blaze a pound of weed six days up out the week

You could catch me in the studio bangin' out the beats to Provide you with the heat that keep blazin' out your speaker

So never say never 'cuz Shady Aftermath together Along with G-Unit Records presents the return Of the-the Doc and Shady, no one could do it better We tear the club up and leave without a strand of evidence and uh

We came here to set this party off right Let's bounce tonight And if they don't let us in through the front We'll come through the side

'Cuz I don't ever wanna leave the game without At least saying goodbye So all my people on the left, all my people on the right Swing one last time

Yeah, haha, still Aftermath, 2006 And don't worry about that Detox album It's comin', we gonna make Dre do it, haha 50 cent, G-unit, Obie Trice, D-twizzy, Stat Quo, Dr. Dre We ain't leavin', let's go, haha

Ladies and gentlemen Thank you all for comin' out, peace Oh shit, I almost forgot You're comin' with me Haha, bye bye See you in hell, fuckers
