Life
By Marshal Mathers
What is life?
Life is like a big obstacle
In front of your optical to slow you down

And every time you think you gotten past it
It's gonna come back around and tackle you to the damn ground
What are friends?
Friends are people that you think are your friends
But they really your enemies, with secret identities
And disguises, to hide they true colors
So just when you think you close enough to be brothers
They want to come back and cut your throat when you ain't lookin'

What is money?
Money is what makes a man act funny
Money is the root of all evil
Money'll make them same friends come back around
Swearing that they was always down

What is life? I'm tired of life I'm tired of backstabbing ass snakes with friendly grins I'm tired of committing so many sins Tired of always giving in when this bottle of Henny wins Tired of never having any ends Tired of having skinny friends hooked on crack and many things I'm tired of this DJ playing your shit when he spins Tired of not having a deal Tired of having to deal with the bullshit without grabbing the steel Tired of drowning in my sorrow Tired of having to borrow a dollar for gas to start my Monte Carlo I'm tired of motherfuckers spraying shit and dartin' off I'm tired of jobs startin' off at five fifty an hour Then this boss wonders why I'm smartin' off Tired of being fired every time I fart and cough Tired of having to work as a gas station clerk For this jerk breathing down my neck driving me berserk I'm tired of using plastic silverware Tired of working in Building Square Tired of not being a millionaire But if I had a million dollars I'd buy a damn brewery, and turn the planet into alcoholics

If I had a magic wand,
I'd make the world suck my dick
Without a condom on,
While I'm on the john
If I had a million bucks
It wouldn't be enough,
Because I'd still be out
Robbing armored trucks
If I had one wish
I would ask for a big enough ass
For the whole world to kiss

I'm tired of being white trash, broke and always poor
Tired of taking pop bottles back to the party store
I'm tired of not having a phone
Tired of not having a home
To have one in if I did have it on
Tired of not driving a B-M
Tired of not working at G-M, tired of wanting to be him
Tired of not sleeping without a Tylenol P-M
Tired of not performing in a packed coliseum
Tired of not being on tour
Tired of fucking the same blond whore
After work in the back of a Contour
I'm tired of faking knots with a stack of ones
Having a lack of funds and resorting back to guns

Tired of being stared at
I'm tired of wearing the same damn Nike Air hat
Tired of stepping in clubs wearing the same pair of Lugz
Tired of people saying they're tired of hearing me rap about drugs
Tired of other rappers who ain't bringin' half the skill as me
Saying they wasn't feeling me when nobody's as ill as me
I'm tired of radio stations telling fibs
Tired of J-L-be saying "Where Hip-Hop Lives"

But if I had a million dollars
I'd buy a damn brewery, and turn the planet into alcoholics
If I had a magic wand, I'd make the world suck my dick
Without a condom on, while I'm on the john

If I had a million bucks It wouldn't be enough, because I'd still be out Robbing armored trucks If I had one wish I would ask for a big enough ass For the whole world to kiss You know what I'm saying? I'm tired of all of this bullshit Telling me to be positive How'm I 'sposed to be positive when I don't see shit positive? Know what I'm sayin'? I rap about shit around me, shit I see Know what I'm sayin'? Right now I'm tired of everything Tired of all this player hating that's going on in my own city Can't get no airplay, you know what I'm sayin'? But ey, it's cool though, you know what I'm sayin'? Just fed up That's my word
