```
[Male Medic]
Mr. Mathers?
Mr. Mathers!
Mr. Mathers...Mr. Mathers can you hear my voice?
OK he's not responding
I'm gonna need an 18 gauge left AC right away
[Female Medic]
Uh, BP is 90 over 12, respiration's at 8
OK I'm tubing him
[Male Medic]
DMC this is medic 41
[Voice over radio]
Medic 41, this is DMC base, go ahead
[Female Medic]
He's cold, spike him back and grab the back board
[Male Medic]
OK, got it, on 3...1, 2, 3
Hu-let's move...
```
