

## Public Service Announcement 2000

Eminem

This is another public service announcement  
Brought to you in part by Slim Shady  
(Tell 'em I don't give a fuck)  
Slim Shady does not give a fuck what you think  
(Tell 'em to suck it)

If you don't like it you can suck his fucking cock  
(Tell 'em they kissed my ass)  
Little did you know upon purchasing this album  
You have just kissed his ass!  
(Tell 'em I'm fed up)

Slim Shady is fed up with your shit  
And he's going to kill you  
(Yeah)  
Uh, anything else?  
(Yeah, sue me!)
