Searchin'

Eminem

[Women Singing:] Ain't no one special, special like you (4X) I been searching, but your the one I want in my life baby (4x) [Verse 1: Eminem] I'm reminiscing on your tenderness and the snuggling and teasin q Missing what I remember, kissing and hugging and squeezing Bugging and weezing, I'm having trouble when breathing It's even tougher when sleeping But there's a couple of reasons that I'm suffering and grieving For loving and leaving, you all I'm thinking of in the evening You got my knees buckling and weakening Thoughts of nothing but freaking that I'm struggling to keep in And interrupt when I'm speaking I got some game that I'm preparing to run The way your lips sparkle and glare in the sun You got your hair in a bun, no matter what you're wearing you s tun 'Cause your comparing to none, I want to share in the fun I feel a passionate lust when I'm imagining just us alone at la st with a touch I see you grasping to trust, but my intentions are good The seed is passing in dust I'm not asking to rush and answer immediately I just want to be there for you and you to be there for me If you agree to repeat after me, I Love You (I love you baby) 'Cause I just need you to see, how much I'm eager to be Your man legally wed, your love's keeping me fed This is easily said, so you can lead or be led If you care to be down cause ain't nobody Like you no where to be found [Chorus] [Women Singing:] I been searching, but your the one I want in my life baby (4x)[Verse 2: Denaun Porter] Baby it's all on you, it's you I call on boo Let's set a day up so you can fall on through We'll take a spin in a Lexus you can chill for dinner and break
