Two pills I pop, 'til my pupils swell up like two pennies
I'm Clint Eastwood in his mid-twenties
A young ass man with a trash can strapped to the back of his ass
So the rats can't chew through his last pants
I'm like a mummy at night, fightin' with bright lightning
Frightened with five little white Vicadin pills bitin' him
I'm like a fuckin' wasp in the hospital lost
Stingin' the fuck outta everything I come across in the halls
I light a candle and place it up on the mantle
Grab a knife at the blade and stab you with the fuckin' handle
So when you find yourself wrapped up in the blinds, hurtin'
Just it's too late
'Cause once you're hung from the drapes, it's curtains
