## We're Back

[Eminem] Nothing can stop and nothing can change And you better just make new livin' arrangements If you think, you the top and king of the castle You about to be thrown off the throne and ripped a new asshole All I hear is I'm the best at this and I'm best at that But I don't hear my name, no brought up in rap And I don't usually trip or damn get caught up in that But when they say one of the best, I'm nowhere thought up as that Not even the same league as Jay-Z, Nas, Pac, Biggie or maybe They name me somewhere down at the bottom, right after AZ Or say he ripped that Biggie verse, or that Jay-Z Yo his verses were crazy, on that renegade beat But I ain't never bought no whole cd of Shady And all I hear is pop tunes come on the radi-o And they play 'em twenty times in a row daily And they very well maybe The same reason they don't say me When they speak on hip-hop legends which is amaze me Cause I thought the formula was to hit mainstream And make it big ba big big bay ba baby [Obie Trice] So maybe the eighties made me crazy I've been tryin' to get my weight up since the ace Slim Shady Gave me the gate key, paved the way So lately, my stakes get better each day Replay my relay race, when I was chasin' the afee at eighteen Eight years later his voice in Beijing No choice I chase C.R.E.A.M, so [Eminem] Shaaaddyyy, (Stat Quo!) We're back! [Stat Quo] This is what I eat, sleep and breathe and feed my kids Would it fulfill all my family needs (c'mon) I treat the mic like the block Fuck with my rocks, and squeeze Critics expecting me to underachieve I just deal with the hate I receive By rolling back my sleeves Sure was a breeze, I bring him right to his knees And tell him "Suck my dick" I take a bow and leave With a sack full of unmarked cheese I find it hard to believe Who to pull or proceed To be G's and claim they runnin' shit Nigga I run me As a kid, teacher said I had a mouth on me The same mouth got me the deal with Dre and E Folk in the 'hood be askin', where I be Dogg, I'm out in Hawaii Don't like it? Drink my pee Record song for the Detox Lp
