

## Upside Down

Emir Kusturica The no smoking orchestra

Life is just a simple game  
Between up and down  
Life is just a simple game  
Makes things go around

What is down should go up  
What is up must go down  
God first showed us the endless sky  
Then the underground

What is up and what is down  
Who will buy and who will sell  
Heaven sometimes covers us  
But sometimes it is hell

The head is up and ass is down  
Is it right or is it wrong  
Sometimes It should go around  
Ass instead of head

The ass is up and head is down  
The same flash same sound  
God first show us the endless sky  
Then the underground
