

## Straight To You

Emm Gryner

The towers of ivory are crumbling  
And the swallows have sharpened their beaks  
This is the time of our great undoing,  
This is the time that I'll come running  
Straight to you, for I am captured  
Straight to you, for I am captured  
Once again  
And the light in our window is fading  
And the candle, it gutters on the ledge  
And our sorrow, it comes a stealing  
And I'll cry but I'll come running  
Straight to you, for I am captured  
Straight to you, for I am captured  
One more time  
And gone are the days of rainbows  
Gone are the nights of swinging from the stars  
For the seas will swallow up the mountains  
And the sky will throw thunderbolts and sparks  
Straight at you but I'll come running  
Straight to you, yes I'll come a running  
One more time  
And heaven has denied us it's kingdom  
And the saints they're all drunk, and howling at the moon  
And the chariots of angels are colliding  
And I'll run but I'll come running  
Straight to you, for I am captured  
Straight to you, for I am captured  
Once more time
