Ive read in the papers that gemini people will make it tonight
Stars will be shining my sign is alining with love
So come on and make it lets take everything that weve bin dream
ing of

Oh baby some thing tells me somethings going to happen to you
The smile on my face is the smile you were wearing a moment or
two
So get it together you see it's gonna be alright
Something tells me somethings gonna happen tonight

Oh i woke up this morning with sunshine through my window
Everything thts happened so far has turned out right
And i got every reason to feel it's goin better
Its getting better every minute wait till we meet tonight

Oh baby some thing tells me somethings going to happen to you
The smile on my face is the smile you were wearing a moment or
