

Takin' It Easy

Emma Bunton

When I close my eyes
The feeling of sunshine awakes
Colors in my mind
Everything else melts away
And what I feel inside
No one could take that away from me

When I'm feeling high
Is when you're by my side
So incredible
It's just you and I

Cuz what we've got is alright
You and me will always be so tight
No need to complicate it
Cuz everything is working out just fine
You know me better than you think
Cuz we've got a thing that's so complete
And we're takin' it easy

Yea Yea

All the things that we do
Seem so easy with you
All the things we do
Watching the sunrise again
Lying in your arms
Your body is calling me in to you

Now I'm feeling high
Cuz you're by my side
So incredible just you and I

Cuz what we've got is alright
You and me will always be so tight
No need to complicate it
Cuz everything is working out just fine
You know me better than you think
Cuz we've got a thing that's so complete
And we're takin' it easy

Yea Yea
