

You Are

Emma Bunton

You Are
All the simple things that you do to me
Make me feel so right
I've been waiting for a man like you

For all my life
The way you hold me close
It's like we're dancing alone
I don't wanna let go

I've been hoping for some lovin' like this
Every night
Something 'bout the way you are
Something 'bout the way you've been making me feel

'Cause I love the way that you are
You are
Always thinking about my baby
Always wishing that you were here right next to me

'Cause I love the way that you are
You are
Even when I'm down
You change my mood around

Just by being you
Lovin' you is so easy
Easy to do
Even when you're gone

I can feel your warmth
Like the morning sun
I wanna thank you for the love you bring
Into my life
