

## To Keep Me Warm

Emma Louise

The night is slow  
I don't like to sleep alone  
And I'm tired  
I'm cold

But she gets to sleep with him  
To keep her warm  
And they'll get some love  
Some loving  
And I won't  
I'm alone, I'm alone  
When you're gone

And your head and hands are strong  
I don't like to let you down  
But I'll love  
I'll love, I'll love

Lost, I am dust  
When you're gone, I am dust  
Lost, I am dust  
When you're gone, I am dust

But I want to sleep with him  
To keep me warm  
And I need some love, loving.
